

## Patient instructions – How to attach pictures via text message

If you have booked a telephone call with the GP you may be asked to forward pictures in advance. Please follow our step by step guide below. You require a smart phone in order to use this service.

1. You will receive a text message from the GP. Please click the link attached. This will then open your internet browser.

2. For data protection it will then ask you to enter your date of birth. Please enter this information & click 'continue'.

What is your date of birth?  
Example 8 12 1988

Day	Month	Year
<input type="text" value="07"/>	<input type="text" value="03"/>	<input type="text" value="2000"/>

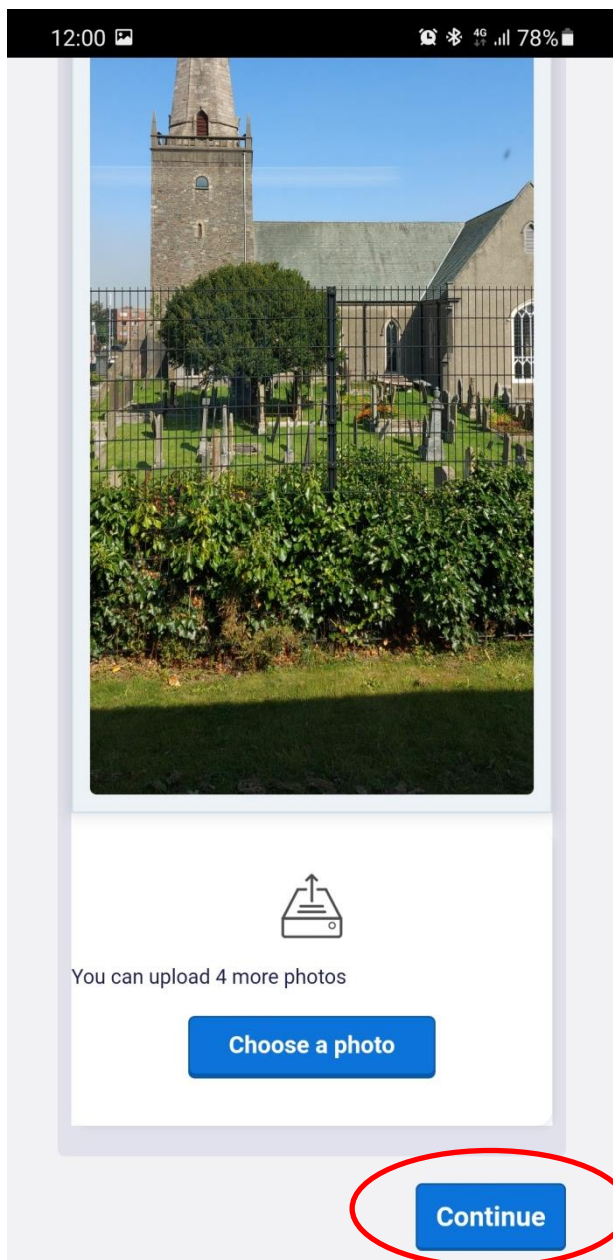

3. You will then see the following screen. Click the 'attach a photo' option.

4. A drop down will now appear and you will see the following screen. Please click the 'choose a photo option'. This will then show your photo gallery.

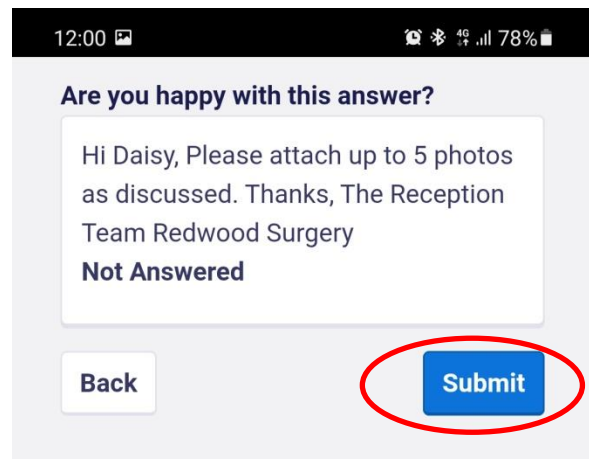

5. Select the picture you would like to attach & click 'Done'.

6. Your picture will now be attached. You can attach up to 5 photos & click 'continue'.

7. If you are happy with your response & the pictures attached please click 'submit'.

8. Your photos are now submitted. These will be saved to your electronic medical record.
